Attention: Mr. James R. Mason, Chief  
Isotopes Branch

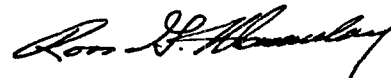

Gentlemen:

It is requested that an appropriate amendment be issued to Byproduct Material License No. 19-1398-10A60 which will permit The Martin Company to transfer, own, and possess up to a maximum of 15 grams of irradiated Hastelloy C, in accordance with the provisions of Part 30 of Title 10 of the Code of Federal Regulations. In support of this request, we have completed and I am enclosing herewith three copies of AEC Form-313.

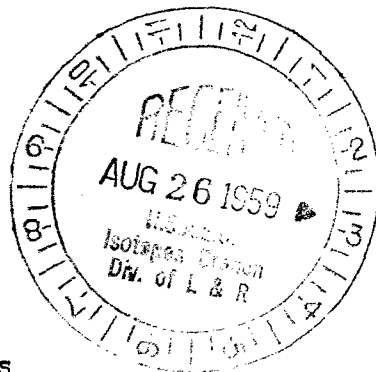

Please give me a call at MUrdoch 7-3800, extension 595, if you desire any further information with respect to the enclosed application for amendment.

Very truly yours,

THE MARTIN COMPANY
