Attention: Mr. J. V. Loppert
Licensing Officer
Nuclear Division

Gentlemen:

Enclosed is Source Material License No. STB-187. As of January 1, 1961, a new numbering system for source material licenses is being used and accordingly, you will note that a new license number has been assigned to you.

Please note that Section 20.103 stipulates that no allowance shall be made for the use of protective equipment in determining whether an individual is exposed to airborne concentrations in excess of the limits specified in Appendix B, Table I, Part 20, unless authorized by the Commission. However, this in no way implies that the Commission does not encourage the use of respirators to further reduce individual exposures to airborne radioactivity concentrations.

Very truly yours,

DISTRIBUTION:

- Formal & Suppl. Dockets, w/encl.
- Document Room, w/encl.
- Div. of Compliance, w/encl.
