Subject: License amendment for new RSO

(NOTE: This will be used as the Documents Title in ADAMS)

Summary: I spoke to Ken about the letter I rec'd from the current Whittaker RSO, and EnergySolutions employee, Kevin Taylor, that he was resigning and a replacement RSO was being named. I told Ken I would need a letter signed by a management representative that they were on board w/ this proposed change. Ken reminded me that he is also an EnergySolutions employee. We agreed it would be best if the letter came from Eric Lardiere, Whittaker VP and General Counsel. Ken agreed to contact Eric and get him to submit a letter to the NRC requesting the new RSO be named to the license.

Action Required: wait for letter from Whittaker management rep
