You're right. Sorry about that.

For 388 it should be: 20 first period and 38 second period.

For MA8871/MC9557 it (2) should be for the first period.

 Michele,

You have MA8871/MC9557 and 50-388 listed under both timeframes. This would be different from your initial memo. Is this correct or should there be only one entry for these 2 hours. If it should only be one entry which timeframe should they be billed?

Thanks,
 Billy
