Summary:	<p>In the letter dated 11/19/07, the licensee requested the addition of Chetan Patel as an AMP. Documentation of his training and experience was contained in multiple documents that appear to meet the requirements. However, it was unclear whether his one year of training plus one year of work experience was done concurrently. I explained to B. Caubet that they could not be done concurrently. He stated that he would look into it and get back to us.</p> <p>In the letter dated 11/26/07, the licensee requested the addition of Kevin Willis, M.D. as an AU of 35.200 materials. Dr. Willis documented his t & e on an old preceptor form that did not contain all of the required information. I requested that Dr. Willis use the current NRC Form 313A(AUD) to document his experience.</p> <p>I informed B. Caubet that if we do not receive the information by 2/15/08, the amendment would be VOIDED.</p>
