MEMORANDUM TO: Alexander Adams, Project Manager
Research and Test Reactors Branch A

FROM: Patrick J. Isaac, Chief Examiner **/RA/**
Research and Test Reactors Branch B

SUBJECT: REVIEW OF PROPOSED REVISIONS TO THE OPERATOR RE-
QUALIFICATION PLAN (APPENDIX F TO LICENSE R-61)

I have reviewed the proposed revisions to the Operator Re-qualification Plan for the Worcester Polytechnic Institute (WPI) Reactor. Given the reactor's permanent shutdown status, I found the proposed revisions to be in accordance with the regulations contained in 10 CFR 55 with modifications as outlined in industry standard ANSI/ANS-15.4, "Selection and Training of Personnel for Research Reactors."

Docket No. 50-134
