Re: Request for Radiation Safety Officer Change for License No. 37-20955-01

ATI Allegheny Ludlum Midland, Midland Plant requests an amendment to United States Nuclear Regulation Commission (USNRC) Specific License Number 37-20955-01. The specific request includes the following:

- Please remove Daniel Syrko as Radiation Safety Officer and Authorized User.
- Please name Brian Richards as Radiation Safety Officer, with responsibility for all devices containing licensed material.
- No additional changes to the specific license are requested at this time.

Mr. Richards successfully completed a 24-Hour Radiation Safety Officer Training Course in 2006. A copy of the training certificate is included. Mr. Richards shall have the support of ATI Allegheny Ludlum Midland management to oversee the program and given the resources necessary to ensure regulatory compliance.

Questions regarding this information should be forwarded to Safety Supervisor Todd L. Freehling.

Best regards,

Todd L. Freehling
General Supervisor - Safety
