Transmittal of Revision 10 of the B&W Generic Technical Bases Document.

The purpose of this letter is to transmit 2 copies of the B&W Generic Technical Bases Document (Revision 10) for your information and use. This document was prepared by AREVA NP Inc. for the former B&W Owners Group and is applicable to all operating B&W designed plants. No formal review is being requested. This document is not proprietary and may be distributed to any interested party. Please send one copy to the NRC Emergency Response center for their use.

If there are questions please contact Virge Esquillo at (434) 832-4267 or myself at (434) 832-5089 or by email at Rronnie.gardner@areva.com.

Sincerely,

A handwritten signature in cursive script that reads "Ronnie L. Gardner".
