

**CW-11-2007 EXAM  
DRAFT WRITTEN EXAM OUTLINE COMMENTS**

1. T2G2 "K/A Category Point Totals" for K1 column on ES-401-2 page 12 do not account for the K1 item selected for SRO in System #034 (Fuel Handling Equipment).
2. ES-401-4 Record of Rejected K/As: justification for rejecting 006 A2.04 (Predict the impact and use procedures to correct low discharge pressure for ECCS) is that there is "no procedure guidance for the topic;" how can that be?
