Dear Mr. Thompson,

I wanted to let you know that we have contracted an external firm to update our DFP. They are scheduled to be here Dec. 13. I will therefore be able to provide you with the updated plan shortly thereafter.

Sincerely,

Karl D. Hargrave, Ph.D.  
Chairman, Radiation Safety Committee

Unfortunately I believe I forgot to mention that it appears from the quantities now authorized on your license you need to put together a Decommissioning Funding Plan (DFP). Please look at 10 CFR 30.35 and reply. This was an oversight and will need to be accomplished. Sorry that I did not note it earlier.
