To Whom It May Concern:

We are requesting an amendment to the radioactive materials license referenced above to make the following changes:

1. The name of Brigid Anne Carlos, M.D. is listed as Carlos on the NRC radioactive material license for the facility. Please correct her name to Brigid Gordon Castro. Please find the enclosed copy of Dr. Castro's driver's license.
2. We wish to change the Radiation Safety Officer from Brigid Gordon Castro to Michael Lairmore, Medical Physicist on or about January 1, 2008. Mr. Lairmore is listed as a Radiation Safety Officer on NRC license number 45-31194-01. Please find the enclosed copy of radioactive materials license.

Please contact me should you have any questions concerning the requested changes.

Sincerely,
