Summary: Dr. Krishna Kodukula does not appear to have experience with 6.D, 6.E., and 6.E of your license. That is correct but she doesn't need anything other than what his experience has stated. I then discussed the 6.D. of the license and found out that this material was never received by the University. The AU for Ms. Armstrong for 6.D. would not be granted. I discusses that they should consider removing that material from the license.

Action Required: Amend the license
