Subject: MANAGEMENT CHANGES IN EXELON GENERATION COMPANY, LLC

Discussion:

The Exelon Generation Company, LLC announced recent changes in its upper management structure at Byron: Marseyne Snow, currently Byron Plant Manager, will be taking on a new project role in Operations Support at their Cantera corporate office. Mr. Brad Adams, currently the Engineering Director at Quad Cities, will become the Byron Plant Manager. In addition, the current Byron Engineering Director, Anthony Giancatarino, will become the station Performance Improvement Director. He will be replaced by Scot Greenlee who is currently the Engineering Director at Cantera. These new roles will begin transitioning the week of January 14, 2008.

Regional Action: None.
