SUBJECT: BIORELIX, INC REQUEST FOR AN AMMENDMENT TO NRC
LICENSE 06-31263-01

03037508

Dear Ms.Ullrich,

This letter is in reference to BioRelix, Inc. NRC license 06-31263-01. BioRelix, Inc. has changed its Chief Executive Officer (CEO) and Certifying Officer from Ronald W. Lennox to Brian R. Dixon. Brian R. Dixon is assuming all the responsibilities of our former CEO Ronald Lennox. We are asking for modification to our NRC license reflecting the name change. Additionally, we are asking for the acceptance of the modification to the training responsibilities of the BioRelix, Inc. Radiation Safety Officer (RSO). We stated in our license that the RSO will be responsible for the Radiation Safety Training of all BioRelix, Inc. employees. We would like to change this statement to "RSO will be responsible for training or will reserve the rights to designate the trainer after appropriate evaluation of the trainer".

Please do not hesitate to contact us if you have any questions or concerns regarding this request.

Sincerely,

Kenneth Blount, Director of Biology
