RE: Amendment to License  
NRC License No. 37-30704-01  
Docket No. 030-35895

Dear Mr. Lodhi:

This letter concerns the correction of a misspelled word and the changing of our Radiation Safety Officer (RSO) on our Materials Handling License.

Our recently amended license, dated November 12<sup>th</sup>, 2007, was noted to have a misspelled word in Section 9 - Authorized uses. Astro Tek Model 3500 Xplorer should be changed to read as Instro Tex Model 3500 Xplorer.

Also, we would like to change the RSO, as noted in Section 12, from Edward L. Balsavage, P.E. to Michael J. Wright.

We trust that this is the information you require. Should you have any questions or require additional information, please do not hesitate to contact the undersigned.

Very Truly Yours,  
CMX

Michael J. Wright
