Hi Bob, could you please let me know the status of the following items:

1. your response to the items that were identified in the ORISE review of your FSSP that we faxed to you on 12-20-07;
 2. your review of the DP that was dated 6-7-05 to see if it substantially changed from the original DP of 1998;
 3. your plans to have a dose estimate analysis of the 30 pCi/gm to determine whether it exceeds the 25 mrem release criteria;
- thanks for your attention to this matter; if you need additional information or assistance please contact me...Michelle
