Subject: Shipment of Special Nuclear Material to  
Battelle Memorial Institute Columbus, Ohio

Gentlemen:

We request AEC approval for shipment of a total of 160 gms U-235 to Battelle Memorial Institute Columbus, Ohio. The special nuclear material is contained in metallographic mounts and six inch stainless steel tube sections and is packaged in an appropriate sized metal container utilized primarily for shipping instruments. Our nuclear safety analysis is based upon an always safe mass of 350 gms U-235 in any one container.

Thank you for your effort in granting approval for this shipment. We plan to make the shipment no later than April 30, 1965.

Very truly yours,  
MARTIN MARIETTA CORPORATION  
MARTIN COMPANY, Nuclear Div.
