Re: Freedom of Information Act Request

Dear Sir or Madam:

This is a Freedom of Information Act Request ("FOIA") pursuant to 5 U.S.C. § 552(a)(3) and 10 C.F.R. § 9.23. This request pertains to a meeting held between Nuclear Regulatory Commission ("NRC") staff and General Electric-Hitachi Nuclear Energy Americas ("GEH") on August 9, 2007, to discuss pre-application issues applicable to the proposed full-scale Silex uranium enrichment plant. On September 7, 2007, the summary of the meeting was released in the public ADAMS at ML072360358. During the meeting, the NRC staff provided GEH with a summary listing of lessons learned from the Louisiana Energy Services and USEC Inc. license application reviews, and provided a short discussion on each item. Specifically, I am requesting:

- * A copy of the NRC presentation handouts including, but not limited to, the summary listing of lessons learned, and the short discussion pertaining to each item.

I would appreciate your prompt response within ten working days of the receipt of this request, as provided by the Code and the NRC's policies. I agree to pay such fees as required under 10 C.F.R. Paragraph 9.33, et seq. without further authorization, however, please call if the fees and copying costs exceed \$300.00

Sincerely,

Ophelia Gilmer Williams
