

MARTIN MARIETTA CORPORATION

NUCLEAR DIVISION
Baltimore, Maryland
21203

Regulatory Suppl File Cy.

Refer to: 00390-08-02-68

August 2, 1968

U. S. Atomic Energy Commission
Division of Material Licensing
Washington, D. C.

Attention: Mr. John McBride, Director

Subject: Transfer of Special Nuclear Material and Source Licenses

Reference: (a) Title 10 Code of Federal Regulations Part 70.36 and
40.46

Gentlemen:

Isotopes, Inc., A Teledyne Company, has acquired the Martin Marietta Corporation Nuclear Division effective August 4, 1968. We are aware that Isotopes, Inc. is in the process of filing an application for the transfer of USAEC Special Nuclear Material Licenses SNM-53 and SNM-849 and Source License No. SUB-313, which request will be submitted during the week of August 5, 1968.

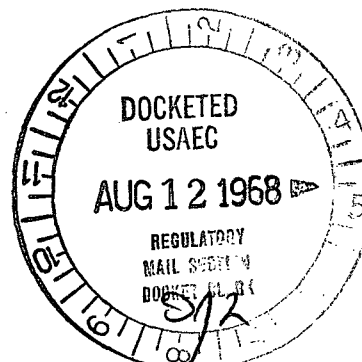

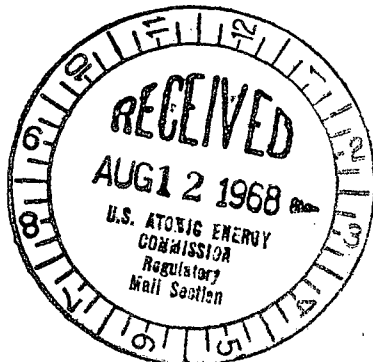

The Martin Marietta Corporation consents to the transfer of the above mentioned licenses and joins Isotopes, Inc. in its request for said transfer.

Very truly yours,

MARTIN MARIETTA CORPORATION

William H. Alper
William H. Alper
