Dear Mr. Chennault:

This is in reference to your telephone conversation on January 29, 1970, with our Mr. Lyall Johnson concerning licensing requirements.

An application for an AEC Special Nuclear Material License should be filed in septuplicate in accordance with the provisions of Section 70.21 of the enclosed 10 CFR Part 70. The application should contain the information specified in Section 70.22 of Part 70.

Also enclosed is a copy of 10 CFR Part 20, "Standards For Protection Against Radiation." Compliance with Part 20 is made a condition of special nuclear material licenses issued by the Commission.

Please let me know if you have any questions concerning the above.

Sincerely,

Original Signed by  
Donald A. Nussbaumer
