MEMORANDUM FOR: R.E. Cunningham, Director
Division of Fuel Cycle and Material Safety

FROM: Donald A. Nussbaumer
Assistant Director
for State Agreements Program
Office of State Programs

SUBJECT: MARYLAND RESPONSE TO JULY 7, 1981 INQUIRY ON FORMERLY LICENSED SITES

Enclosed is Maryland's response to your July 7, 1981 inquiry concerning Martin Marietta's formerly licensed site (Enclosure). Earlier we provided reports of State responses to some of the other of your July 7, 1981 inquiries. These concerned Tennessee, New York and Kansas sites. As soon as we hear from Nevada and California, we will inform you and complete action on your request.
