### ASSET DETAIL MESSAGES

Publicly traded assets are valued in accordance with market quotation or valuation methods from industry accepted services. Assets which are not publicly traded may reflect values from other external sources or special valuations prepared by U. S. Bank. Assets for which a current value is not available may be reflected as not valued, at par value, or at a nominal value of \$1.00. Values shown do not necessarily reflect prices at which assets could have been bought or sold. Values are updated based on internal policy and may be updated less frequently than statement generation.
