Subject: Followup to Amendment Request dated Dec.17, 2007

(NOTE: This will be used as the
Documents Title in ADAMS)

Summary: I contacted Dr. Farooqui to clarify their request to add Dr Harry Lessig as an authorized user (AU) and as RSO. The 12/17/07 letter indicated that Dr. Lessig was listed as an AU and as RSO on NRC License No. 29-18190-01 (Deborah Hospital). However, my review of that license found that Dr. Lessig was only listed as AU and was never listed as RSO. I explained to Dr. Farooqui that under the current regulations, we could not add Dr. Farooqui as RSO based on him being an AU becscue he was not yet named on the licensee's license (35.50(d)). Dr. Farooqui understood and asked that we go ahead and name Dr. Lessig as an AU so that they can name him RSO later. Dr. Agarwala will remain the RSO for the time being. I told Dr. Farooqui I would complete the amendment to name Dr. Lessig an AU and provide guidance in the cover letter on submitting a request to make Dr. Lessig the RSO at a later date.

Action Required: Completed amendment to add Dr. Lessig as an AU.
