Greg,

As you requested, I have estimated the bill for the 4th quarter 2007 and the first quarter 2008 for STP 3 and 4. This includes estimated charges for pre-COLA activities, COL acceptance reviews and the COL safety and environmental reviews. I do not believe there is value at this point in projecting charges beyond the first quarter of 2008. Please note that the actual invoice may be different.

4th Quarter 2007: \$3,200,000
1st Quarter 2008: \$6,600,000

If you have questions please feel free to call me.
