Pursuant to 10 C.F.R. 2.1009(b), as the official responsible for administration of the city of Caliente, Nevada’s (“Caliente”) responsibility to provide electronic files of Documentary Materials, I hereby certify that the City of Caliente, Nevada, has implemented the procedures specified in 10 C.F.R. § 2.1009(a)(2). However, as of January 17, 2008 there are still a few technical issues being resolved. I also certify that, to the best of my knowledge, Caliente has identified and made electronically available the Documentary Material specified in 10 C.F.R. § 2.1003.

**THE CITY OF CALIENTE, NEVADA'S  
CERTIFICATION OF COMPLIANCE**

The Commission's regulation direct that the City of Caliente, Nevada ("Caliente") certify the availability of Documentary Material on the Licensing Support Network ("LSN") no later than 90 days following the initial certification by the Department of Energy ("DOE") of its LSN database. Given DOE's initial certification on October 19, 2007, Caliente's certification is required to be made with the Pre-License Application Presiding Officer ("PAPO") on or before January 17, 2008. Accordingly, appended to this filing is the certification of Jason Pitts, LSN Administrator, Office of Administrative Services of the City of Caliente, Nevada, who is the officer responsible for administration of Caliente's responsibility to provide Documentary Material. Caliente will continue to supplement its LSN collection consistent with NRC's Applicable regulations and PAPO Board orders as additional Documentary Material is identified in the future.

The point of contract for Caliente was previously provided.

Respectfully submitted,

*S/ Jason Pitts*
