Re: U.S NRC Radioactive Materials License application control # **141404**
Cardinal Medical Associates, LLC

Dear Mr. Courtemanche:

In response to your letter dated December 21, 2007 please note the following clarification for our radioactive materials License application, control number 141404.

1. Radiation Safety Officer: Janice Nguyen
 - a. We will give Janice Nguyen the full authority to operate as necessary to fulfill her duties as Radiation Safety Officer.
 - b. We will give Janice Nguyen the use of funds to facilitate the objectives of our radiation safety program and related regulatory requirements.
 - c. Janice Nguyen will be on site on a quarterly basis to audit the radiation safety program. Her audit will include performing QC on the hot lab equipment, reviewing dosimetry reports, reviewing and signing off on all paperwork, giving radiation safety training, etc. She will be on site long enough to perform all duties (minimum of 6 hours per quarter). If she finds any safety concerns, she will come back out to follow up on any outstanding items, or will follow up with the in-house representative.
 - d. Our in-house representative will be Ryan Sutphin.
 - e. Janice Nguyen will always be available by phone to respond to questions or operational issues that arise during the conduct of our radiation safety program and related regulatory requirements. Should she need to respond to an emergency that requires her presence, she could be on site within 2 hours.

2. Authorized User: Dr. Andrew M. Keenan is the only authorized user on this application. Please disregard the name Michael Habib, M.D. since it is a typographical error.
