MEMORANDUM TO: Richard P. Correia, Deputy Director
Division of Security Operations
Office of Nuclear Security and Incident Response

FROM: F. Paul Peduzzi, Team Leader /RA
Reactor Security Oversight Branch
Division of Security Operations
Office of Nuclear Security and Incident Response

SUBJECT: MEETING SUMMARY FOR CLOSED MEETINGS WITH
THE NUCLEAR ENERGY INSTITUTE ON NRC BULLETIN
2007-01 RESPONSES

On January 9, 2008 and January 14, 2008, staff from the Office of Nuclear Security and Incident Response, the Office of Nuclear Reactor Regulation, and the Office of Enforcement met with members of the Nuclear Energy Institute (NEI) at NEI Headquarters to discuss the objectives for the nuclear industry response to the U.S. Nuclear Regulatory Commission (NRC) Bulletin 2007-01 titled, "Security Officer Inattentiveness." The agenda included a discussion of:

- 1) The intent and background information on the purpose and scope of the NRC Bulletin.
- 2) Specific questions addressed in the NRC Bulletin.
- 3) Administrative details and actions for packaging and marking industry responses.

The discussions included site specific, safeguards and security-sensitive information, making the meeting closed to the public.
