Subj: License 31-30936-01 amendment for a new RSO
Ref: Mail Control No. 141569

Dear Mr. Thompson:

I am writing to request an amendment to Cornell University's license 31-30936-01 to appoint a new Radiation Safety Officer (RSO). Due to reorganization within the Environmental Health and Safety Department, Mr. McGiff will be assuming new responsibilities that do not have radiation safety as a primary function. I therefore request that the Assistant Radiation Safety Officer, Mr. Jeffrey Leavey, be appointed as the new RSO for this license.

You have previously received Form 313, a summary of Mr. Leavey's experience, and Mr. Leavey's full resume in a separate mailing.

Please contact me or Mr. Leavey (607-255-7397 or JAL247@cornell.edu) if you have any questions or require additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "R. McDaniel".

Richard W. McDaniel
Vice President for Risk Management and Public Safety
