SNM -368 (TERMINATED)

My apologies Michelle.

Q1- we have drafted responses to ORISE's questions on the FSSP. We have forwarded the draft
responses to our contacts at USDOE in Schenectady for their review prior to us submitting the responses
to you.

Q2- We have reviewed the DP dated 6-7-05 and do not believe that it is substantially different from the
1998 version.

Q3- Our consultant has performed the RESRAD modeling, we will be discussing the modeling with our
contacts at USDOE in the next week or so. Following that discussion, we will likely want to meet with you
to discuss the results of the RESRAD modeling and the path forward.

Thanks
John

Could I please receive a response to my previous email indicating
whether the items are being reviewed or the results of the review?
thanks, Michelle
