Mr. Lodhi, Ph.D:

IES is in receipt of your 12/27/07 packet germane to our license. We wish to thank you. I must bring to your attention that you refer to a "Request for Tax Payer Identification Number" form or similar being enclosed. It was not enclosed. We received two (2) packets and neither contained this referred NRC form 531. If this is required, kindly resend the same to my address and I would be happy to complete this for you.

I would like to sincerely thank you for the professional manner in which you handled our application. It was most appreciated. WE are scheduled to take the late February Troxler RSO exam/seminar to obtain the right to operate and purchase the Troxler 3440.

Best Regards,

Chadd W. Ingram, P.E.
