Dear Ms. Simmons:

This letter is to correct the questions concerning the AU application for Dr. Trey Kamplain. I wish to attest to the fact that Dr. Kamplain received supervised training and meets the requirements concerning generator elution and experience. I apologize as this was mistakenly listed under Section I 3b.

In addition, I did not check that I meet the requirements in 35.390 + generator experience although I am so qualified.

Thank you,

Janis O'Malley, M.D.
