No. It may not occur until after OI. In the meantime, we have to pretend we don't know anything about OI and just stall. I'm working with Ken Ainger on this.....Cantera folks will be contacted soon (wk of January 26) - so they will know soon enough and they may stop asking.

Any idea when the AMAG decision making meeting will be?

Just a few notes

OI - is focusing on Cantera right now....don't know when they will be onsite.

I will be coordinating with George on IEMA meeting on AMAG.....haven't heard anything yet!

Addi thought the time off award was a great idea and will be presenting it at Tuesday's meeting.

Rick - You should have another e-mail about Caroline Acosta....let me know what you think!

That's it for now!
