RE: Compliance with 10 CFR 32.12 reporting requirements,
License No 45-23954-02E

Ladies and Gentlemen:

for the period ending December 31, 2007 we are reporting that no material has been transferred according to our license under § 32.11 during the reporting period.

This has been due to startup difficulties and the issue of the license in November 2007. We are now operational and will submit the next report as required.

Sincerely,

Martin Zimmermann
General Manager
