# **Strengthening the Foundation for Effective Preparedness and Response**

---

**Chris Miller**

**Deputy Director for Emergency Preparedness  
Division of Preparedness and Response  
Office of Nuclear Security and Incident Response**

---

## A little about me...

- Responder myself
    - Navy EPLO
  
  - Former field experience
    - NRC Resident Inspector
  
  - Need your Suggestions & Feedback
-

---

## Rulemaking project

- ❑ Strengthen and clarify EP Regulations
  - ❑ Good coordination with FEMA
  - ❑ Seeking input in many forums
    - Public Meeting March 5, 2008
-

---

## Hostile Action Based Drill & Exercise

- Phase III Drills are in full swing
    - 6 scheduled for R-IV in 2008
  - FEMA/NRC task force working plan for incorporating changes to guidance.
-

---

## New Reactors

- Currently expecting 21 applications for 32 units
    - Approximately 10 of those units in Region IV
  - Certification process for new designs
  - Updates to 10CFR 52 and Part 50
-

---

## Incident Response

- Incident Response
  - ERDS Update
  - Response events
    - SONGS Wildfire assistance
-

---

Keep the good ideas coming.  
Thanks for partnering with us!
