U.S. Nuclear Regulatory Commission
Attn: Document Control Desk
Washington, D.C. 20555

Subject: Reply to a Notice of Violation
Docket No. 03037368
NRC License No. 45-31202-01

To Whom It May Concern:

On November 08, 2007, Mr. Craig Gordon visited our site to perform a routine compliance inspection. Following the onsite inspection, Mr. Gordon cited one deficiency which he discussed verbally along with providing a written response. Contractors Paving Company, Inc. intends to take the compliance recommendation concerning Item# 10, "Radiation Safety Program-Occupational Dosimetry" into account and take the following corrective action:

- Contractors Paving Company, Inc. initiated contact with Global Dosimetry Solutions, Inc. in a timely manner following the November safety inspection and has already obtained badges along with a quarterly shipment service. The badges have been in use since December 2007.

If any additional information is needed, please contact me at 757-340-1161.

Sincerely,

CONTRACTORS PAVING CO., INC.

Michelle Teets
Safety Director
