Dear Mr. Lodhi

The following is to notify due to a change of facilities we had a change of address our new facilities are located at #80 Sirio St., Extension Los Angeles, Carolina PR 00979 and our new phone number is 787-253-1400 and our fax is 787-253-8400. The requirement for the leak test is as follows *0.005 microcuries (185 Bq) or greater constitutes a leaking source. I would like to report that all the gages have always been under this requirement.

Sincerely,

Aida Sosa
Office Manager
