

February 6, 2008

The Honorable Fred Reeves
Mayor
City of Port Gibson, Mississippi
P.O. Box 607
Port Gibson, MS 39150

Dear Mayor Reeves:

On behalf of the staff of the U.S. Nuclear Regulatory Commission (NRC), I would like to invite you to a meeting of local government officials to discuss the role that the NRC will play in the anticipated review of the Entergy application for a combined license for the proposed Grand Gulf Unit 3 nuclear plant. The meeting of government officials will be at the City Hall in Port Gibson, Mississippi from 2:00-4:00 p.m. on February 21, 2008.

We have invited local officials from Port Gibson, Claiborne County, and Tensas Parish, Louisiana. In addition, we have invited State officials from the Mississippi Emergency Management Agency and from the Louisiana Governor's Office of Homeland Security and Emergency Preparedness. At the meeting, we will discuss the NRC's regulatory process for new reactors with a focus on the safety and environmental review processes. We hope to have an interactive meeting and will entertain any questions or comments that you may have.

Also, on February 21, 2008, we will hold a public meeting on this topic at the City Hall in Port Gibson, Mississippi, from 6:00-9:30 p.m. The notice of this meeting is posted on the NRC's public website.

Sincerely,

/RA/

Port Gibson, MS 39150

Dear Mr. Martin:

On behalf of the staff of the U.S. Nuclear Regulatory Commission (NRC), I would like to invite you to a meeting of local government officials to discuss the role that the NRC will play in the anticipated review of the Entergy application for a combined license for the proposed Grand Gulf Unit 3 nuclear plant. The meeting of government officials will be at the City Hall in Port Gibson, Mississippi from 2:00-4:00 p.m. on February 21, 2008.

We have invited local officials from Port Gibson, Claiborne County, and Tensas Parish, Louisiana. In addition, we have invited State officials from the Mississippi Emergency Management Agency and from the Louisiana Governor's Office of Homeland Security and Emergency Preparedness. At the meeting, we will discuss the NRC's regulatory process for new reactors with a focus on the safety and environmental review processes. We hope to have an interactive meeting and will entertain any questions or comments that you may have.

Also, on February 21, 2008, we will hold a public meeting on this topic at the City Hall in Port Gibson, Mississippi, from 6:00-9:30 p.m. The notice of this meeting is posted on the NRC's public website.

Sincerely,

/RA/

Port Gibson, MS 39150

Dear Mr. Johnston:

On behalf of the staff of the U.S. Nuclear Regulatory Commission (NRC), I would like to invite you to a meeting of local government officials to discuss the role that the NRC will play in the anticipated review of the Entergy application for a combined license for the proposed Grand Gulf Unit 3 nuclear plant. The meeting of government officials will be at the City Hall in Port Gibson, Mississippi from 2:00-4:00 p.m. on February 21, 2008.

We have invited local officials from Port Gibson, Claiborne County, and Tensas Parish, Louisiana. In addition, we have invited State officials from the Mississippi Emergency Management Agency and from the Louisiana Governor's Office of Homeland Security and Emergency Preparedness. At the meeting, we will discuss the NRC's regulatory process for new reactors with a focus on the safety and environmental review processes. We hope to have an interactive meeting and will entertain any questions or comments that you may have.

Also, on February 21, 2008, we will hold a public meeting on this topic at the City Hall in Port Gibson, Mississippi, from 6:00-9:30 p.m. The notice of this meeting is posted on the NRC's public website.

Sincerely,

/RA/
