Subject: amendment request

Licensee: INOVA Loudon Hospital Center
License No. 45-16806-01
Docket No. 030-11672
Mail Control No. 141401
Subject: Request to add location of use for source storage to NRC License

Please send an email to confirm receipt of this message.

To: Mr. Arnold Able, Radiation Safety Officer

In order to continue our review of the request to add the new source storage location, please provide the following additional information:

1. Description of shielding for the sources (e.g., stored in lead lined source storage safe).
2. Copy of latest leak test results, if you would like to request removal of the current source storage room.

Please have your response signed and dated by an individual authorized to sign official documents on behalf of the INOVA Loudon Hospital Center. Please be sure to include Mail Control No. 141401 in your response. Please note that you may not reply to this email by return email. Your reply must be in writing by letter or facsimile (610-337-5269). If we do not receive a reply from you within 20 calendar days from the date of this email, we will assume that you do not wish to pursue your application.

Thank you for your attention to this matter.

Sincerely,
Penny Lanzisera
Senior Health Physicist, Medical Branch
Division of Nuclear Materials Safety
U.S. NRC Region I
