RE: Upstate Group, Inc. U.S. Nuclear Regulatory Commission
Material License No. 45-25402-01, Docket No. 030-34493

Dear Mr. Thomas Thompson:

I am writing to you as a result of your request for additional information with regards to the expiration of the U.S. NRC Material License No. 45-25402-01 for the Upstate Group, Inc. facility that had been located at 706 forest Street, Suite 1, Charlottesville, VA 22903. Please find below the answers to your questions.

1. The last date materials were handled at the facility was February 21, 2007 when the last containerized waste was removed from the site by the waste contractor.
2. The two (2) rooms surveyed in the Final Status Survey, were the only two rooms where these materials were used within the facility.
3. Upstate Group, Inc. occupied approximately 12,000 sq ft of the building on the second floor of a two (2) story building; as supplied by the Facilities Manager at the time.
4. The building that Upstate Group, Inc. was a tenant in a two (2) story building.

If there are any other questions regarding this letter, please feel free to contact me at 978-715-1710 or at the address listed below.

Sincerely,

Mitch Forgia
