Terry A. Arbogast
Radiation Safety Officer
IRM Group, Inc.
3940 Gantz Road
Grove City, OH 43123

SUBJECT: TERMINATION OF YOUR NRC RADIOACTIVE MATERIALS LICENSE

Dear Mr. Arbogast:

In a letter dated December 5, 2007, you contacted the U.S. Nuclear Regulatory Commission and indicated that you wished to terminate your NRC radioactive material license. Since licensed activities will continue under your Ohio Department of Health License No. 03214250000, no decommissioning evaluation is required to terminate your NRC license and no further remediation or actions with respect to NRC regulated material is required. Therefore, your NRC license number 34-26787-02 is hereby terminated.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room)

If you have any questions, please call me at (630) 829-9873.

Sincerely,

James R. Mullauer, M.H.S.
Health Physicist
Materials Licensing Branch
