Intro for Peach Bottom press briefing on 10/9/07:

Good afternoon. I'm Neil Sheehan. I'm a Public Affairs Officer in the NRC's Region I Office, which is located in King of Prussia, Pa., and oversees nuclear power plants in the Northeastern United States. I'd like to briefly introduce our principal speakers today. They are Sam Collins, Marsha Gamberoni and Jim Trapp.

Mr. Collins is the Region I Administrator, a job he has held since mid-2005. He directs a staff of about 250 and oversees 26 operating reactors. He has been with the NRC since 1980. Ms. Gamberoni is the Director of the Division of Reactor Safety for the Region I Office, a position she has held since earlier this year. She joined the NRC in 1991. The Division of Reactor Safety is responsible for inspections conducted by Region I specialists, including security specialists, at nuclear plants in the region. Mr. Trapp ...

With that, I will now turn things over to Ms. Gamberoni for her remarks,
