Re: Spano v. United States Nuclear Regulatory Commission,
Docket Nos. 07-0324-ag and 07-1276-ag (consolidated)

Dear Mr. Asreen:

The Eastern Environment Law Center ("EELC") is a non-profit corporation that represents other New Jersey non-profit groups in environmental matters. Prior to 2008, EELC was located at Rutgers Law School – Newark and operated under the Rutgers Environmental Law Clinic ("RELC"). EELC separated from RELC on January 1, 2008 and has moved from Rutgers Law School. The attorneys associated with EELC, including Mr. Webster, have moved with EELC. The parties represented by Mr. Webster in this matter have opted to remain with Mr. Webster at EELC.

We spoke to Mr. Wilson Dudley last week and he suggested that we send the Court a letter explaining the recent change. We are also enclosing a Notice of Substitution of Counsel in case this change requires a notice filing, and a Certificate of Service to indicate that we have notified the other parties in this matter.

I enclose an extra copy of the Notice of Substitution of Counsel and ask that if it is filed, you stamp it with the date and time of receipt and mail back to me in the self-addressed stamped envelope provided.

Thank you for your attention to this matter.

Respectfully submitted,

Richard Webster, Esq.
