SUMMARY

We have reviewed your letter dated October 11, 2007, requesting an amendment to your byproduct materials license and find that we need additional information as follows:

1. **The letter dated July 10, 2007, includes two attachments: an unsigned and undated Preceptor Forms set for Dr. Seeck, that contains mostly blank sections and references to a letter dated July 10, 2007.**

The letter dated July 10, 2007, does not address much of the specific training and experience criteria contained in 10 CFR 35.290 or the 313a(AUD) forms, but it is signed and dated by the physicians serving as preceptors for Dr. Seeck, Dr. Siegel and Dr. Gropier.

To complete Dr. Seeck's application please submit the following:

- a. **A fully completed set of Preceptor Forms 313a (AUD) that is currently signed and dated, i.e., do not date it prior to February 1, 2008.**
- b. **A letter currently dated and signed by the Chair of the Radiation Safety Committee for Washington University (a broad scope licensee) that states the timeframes and modalities of authorized use for Drs. Siegel and Gropier and the license number for Washinton University.**

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this record will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

ACTION REQUIRED

As we cannot issue an amendment at this time we are voiding this request in order to enable you to prepare a quality application without time constraints. This is done without prejudice to the resubmission of your request at a later date. Upon receipt of your response we will resume our review. Address your written response to my attention at the above address.

PLEASE NOTE THAT A "VOID" IS AN ADMINISTRATIVE PROCEDURE THAT PUTS YOUR AMENDMENT REQUEST "ON HOLD" (TAKES IT OUT OF OUR ACTIVE CASEWORK DATABASE) UNTIL YOU REACTIVATE IT VIA SUBMISSION OF A WRITTEN RESPONSE. IT "BUYS" YOU TIME TO PREPARE A QUALITY RESPONSE AND IS GENERALLY REGARDED AS A "GOOD THING."

PLEASE DIRECT ANY QUESTIONS YOU MAY HAVE TO ME AT (630) 829-9841 or (800) 522-3025, ext. 9841
