

UNITED STATES
NUCLEAR REGULATORY COMMISSION
ADVISORY COMMITTEE ON REACTOR SAFEGUARDS
WASHINGTON, DC 20555 - 0001

February 19, 2008

David J. O'Brien
Commissioner
State of Vermont
Department of Public Service
112 State Street, Drawer 20
Montpelier, VT 05620-2601

SUBJECT: Final ACRS Review of the Vermont Yankee License Renewal Application

Dear Commissioner O'Brien:

This is in response to your January 25, 2008 letter, in which you requested that the Advisory Committee on Reactor Safeguards (ACRS) postpone its final review of the Vermont Yankee license renewal application from the February 2008 meeting to the March 2008 meeting because the complete, final Safety Evaluation Report (SER) will not be available to the ACRS and the public well in advance of the February ACRS meeting.

It is the practice of the ACRS to complete its review of an application only after receiving the final SER. We expect to receive the final SER in time to complete our review during our March 6-8, 2008 meeting.

We appreciate your interest in the ACRS review of this matter.

Sincerely,

/RA/

William J. Shack
Chairman
