

## CERTIFICATE OF SERVICE

I hereby certify that on February 8, 2008, I attempted to serve copies of the foregoing Notice of Appearance and Petition to Suspend Hearing Notice Regarding Application for Combined License for South Texas Project Units 3 and 4 or, in the Alternative, Request for an Extension of Time to Submit Hearing Request and Contentions, and Request for Expedited Consideration on the following persons by submitting the documents in electronic form to the NRC's Electronic Docket:

Andrew L. Bates, [alb@nrc.gov](mailto:alb@nrc.gov)

James Biggins, [jpb4@nrc.gov](mailto:jpb4@nrc.gov)

Sara Brock, [seb2@nrc.gov](mailto:seb2@nrc.gov)

Adria Byrdsong, [atb2@nrc.gov](mailto:atb2@nrc.gov)

Steven P. Frantz, [sfrantz@morganlewis.com](mailto:sfrantz@morganlewis.com)

Rebecca Gitter, [rll@nrc.gov](mailto:rll@nrc.gov)

This certification was based on my reading of the service list that was posted on the NRC's website on February 8, 2008: <https://eie.nrc.gov/cgi-bin/eieone.exe?f=boardpost&hearing=South+Texas+52-012+and+013-COL&pof=no>,

I was unable to use the electronic docketing system to effect service, however; and therefore I served the pleadings on the above parties by e-mail.

On February 11, 2008, I attempted to use the NRC's electronic docketing system again, and was successful.
