Subject: 60-Day Response to NRC Bulletin 2007-01, "Security Officer Attentiveness"
Cooper Nuclear Station, Docket No. 50-298, DPR-46

Reference: NRC Bulletin 2007-01, "Security Officer Attentiveness," dated December 12,
2007

Dear Sir or Madam:

The purpose of this correspondence is to provide Nebraska Public Power District's (NPPD) 60-day response to U.S. Nuclear Regulatory Commission (NRC) Bulletin 2007-01 (Reference). This Bulletin requested information about security program administrative and management controls established to prevent, identify, and correct security personnel inattentiveness, complicity, and failures of individuals to implement the Behavior Observation Program. The attachment to this letter provides NPPD's response to the specific questions listed in the Bulletin for Cooper Nuclear Station. This response is submitted under oath or affirmation in accordance with the provisions of 10 CFR 50.54(f).

Because this response contains security related information, NPPD requests that the attachment to this letter be withheld from public disclosure in accordance with 10 CFR 2.390.

If you have any questions regarding this response, please contact David Van Der Kamp, Licensing Manager, at (402) 825-2904.

I declare under penalty of perjury that the contents of this response are true and correct.

Executed On 2/7/08
(Date)

Sincerely,

Stewart B. Minahan
Vice President - Nuclear and
Chief Nuclear Officer
