Special Facility Data

## APPENDIX E: SPECIAL FACILITY DATA

The following tables list population information, as of January 2007, for special facilities that are contained within the Lee Nuclear Station EPZ. Special facilities are defined as schools, day care centers, hospitals and other medical care facilities and correctional facilities. Transient population data is included in the tables for state parks, county parks, hotels and motels, and other recreational areas. Each table is grouped by county. The location of the facility is defined by its straight-line distance (miles) and direction (magnetic bearing) from the Lee Nuclear Station.
