RE: Change of Name

To Whom It May Concern:

I am writing to notify you that as of January 1, 2008 there was a name change involving Jefferson Regional PET Scanning, GP, license number 37-30741-01. The name will be changed to JRMC Diagnostic Services, which is still under Jefferson Regional Medical Center's ownership. Richard Black, DO and Teresita Enriquez, MD will remain on the license.

There will be no change in location, equipment or procedures. Everything will remain absolutely the same. The employees are up to date on radiation procedures, and review them annually.

All Surveillance and QA Records are in compliance as of the date of the name change, and recorded by technologists and the health physicist, Chuck Giomuso. JRMC Diagnostics Services will continue to maintain all past and current records.

If you have any questions, please feel free to call Al Ragan at 412-205-6095 or Amy Pistininzi at 412-460-8308.

Thank you for your time,

Al Ragan, Manager
