OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

To whom it may concern,

I would like to respectfully voice my objections to the proposal of Italian Waste coming to Utah. We live in a beautiful state with many diverse and beautiful natural resources. I don't agree with the plan for Energy Solutions to import waste from around the globe for monetary gain and make our wonderful state the dumping ground for the world. Let the nations that produce the waste deal with the waste.

Best regards,
Brian Nish
