Memorandum

DOCKETED
USNRC

To: Secretary
U.S. Nuclear Regulatory Commission

February 13, 2008 (4:45pm)

From: Clare Gilmore
Salt Lake City Resident

OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

Italians have dismantled their nuclear power industry, therefore, will not continue to generate nuclear waste. The U.S. will continue to generate nuclear waste and should reserve allotted space for the storage of this waste. Energy Solutions proposal to import Italy's waste should not be allowed.
